CRIMINAL ACTION NO.

**ACKNOWLEDGEMENT OF FACTS AND WAIVER
OF SPEEDY TRIAL RIGHTS BY DEFENDANT ATUL NANDA**

In support of his motion for continuance, Defendant Atul Nanda states that he has been fully advised of his right to a speedy trial under the Sixth Amendment to the United States Constitution and the Speedy Trial Act, 18 U.S.C. Section 3161. He hereby knowingly and intelligently waives his right to a speedy trial during the pendency of his Motion for Continuance. He and his counsel affirm that he is competent to do so.

Mr. Nanda has consulted with his counsel. He is aware that the discovery in this case is voluminous and complex. He agrees that a continuance is necessary in order to prepare his defense adequately. He understands that his counsel, counsel for the other defendants, and counsel for the United States, have agreed that a trial starting on the first or second Monday of December 2013, would be appropriate given the amount of discovery and the scheduling conflicts of counsel and that his motion for a continuance requests a continuance until this time. He agrees with the request for a continuance until this time and waives his right to a speedy trial.

in support of his motion for a continuance. He respectfully requests that the Court accept this acknowledgment and grant his motion for a continuance.
